

THANKS TO YOU, CLINTON COUNTY GOP IS RECOGNIZED AS ONE OF THE BEST IN IOWA!

Clinton County has become a red county! All our county offices, except one, are Republican! And we have a viable candidate for County Auditor, David Troester, to flip that as well! Our state leaders are all Republican, and our state and national representatives in Congress are Republicans. The platform we have sent forward protects our conservative values and gives hope to the next generations! Let us work together to protect the inroads we've made at the local and state levels and carry that momentum forward to influence our federal government to reflect our conservative values in 2024! Our party is strong and enjoying great success in our state but there are huge battles in the months ahead with the highly contested elections that we know are on the horizon, and not just on the Presidential level. Cycle after cycle we hear it said that the election each year is the most important one of our lifetimes but we are all feeling that very strongly this cycle more than any other before. This is a battle for the very soul and future of our country and what we are creating for our children and grandchildren.

PLEASE help us to continue funding our county party and plan on attending as many events as you can, donating to local conservative causes, and speaking out to neighbors, family, and friends to return to the Constitution. We need to support the growth and arming of our military. We need to stop agencies, bureaus, and departments (the deep state) from enforcing regulations that have not been passed into law by Congress. We need to stop the burgeoning growth of the debt! It is a crime to saddle our children and grandchildren with the huge debt we are presently amassing! We need to eliminate the use of government agencies as forces against political opposition. We need to finally secure our borders and enforce the laws we have to protect our country and our citizens first and foremost. We need EVERYONE's help to SAVE OUR NATION. Our rent, supplies, mailings, advertising, candidate assistance, and events are funded by Century Club members. This 2024 election cycle may be our last chance to save the Republic! With your support as a fellow patriot, we can regain the leadership of this country and return it to the strong, moral, and prosperous nation and give our future generations a better place live out their dreams.

Sincerely,

Tim Striley, Chair; Lee Cartwright and Steve Cundiff, Co-Chairs; Linda Nichols, Secretary; and Myrna Neumann, Treasurer
